

To Whom it May Concern,

I am a Program Manager at Focus EduVation located in Woburn Massachusetts at 500 West Cummings Park, Suite 2700. Since late last year we have had two contracts with Mathew Vaughan for the purpose of creation of Multiple Choice Assessment Items in the field of Database and Information Technologies. In the time we have worked with Matt he has completed all tasks that were assigned to him in a timely and professional manner. When the next project of this kind start in early April, given the same subjects are included, we will renew our relationship with Matt should he find it likewise beneficial.
